I struggled to do well on the SAT (barely above average), so my parents sent me to classes that didn't help and gave me books that never went beyond the basics. Unlike most other test prep books, this one is truly geared towards the student aiming for the perfect score. A second edition fully updated for the current SAT (2018 and beyond)This book brings together everything you need to know for the SAT writing section, from the simplest to the most advanced grammar rule. They didn't know any better. After a lot of failure and frustration, I decided to self-study and figure out the test myself.
